So, why United Way and Dancing with the Stars? Because, to us, United Way serves a greater purpose. It's about lasting change for our community – A community that has given us so much in return. When we were in elementary and middle school, we both actually attended the Boys and Girls Club after school and during the summer. It was there that we forged our friendship and found our confidence. We actually like to give back and volunteer our time at the Club during the summer. It is thanks to United Way that these life-long skills will continue for future generations.
